### Reflection/Application Questions

1. Why is it hard for us to accept that a loving God would lead his children into trials?
2. Have you gone through a difficult time in your spiritual journey where you thought God was distant or nowhere to be seen? If you have experienced that, how did you respond?
3. What are different ways people relate to God when they're going through a trial? Why is it often so hard for people to cry out to God for help?
4. Share of a time on your spiritual journey when God "Calmed the wind and the waves" in your life?
5. How does God use the storms of life to build faith in us?
6. How have you come to embrace trials knowing that they will ultimately strengthen your faith and witness in the world?
7. What stood out to you in this sermon that can help you grow in your ability to glorify God?
